

PRESS RELEASE 03.05.2016

Mikeva Ltd. grows in Uusimaa region by acquiring Hoitokoti Apilaniitty Ltd.

Mikeva Ltd.'s strong growth during recent years will be continued by a new elderly segments service home. Hoitokoti Apilaniitty Ltd. with its 20 customer beds in Karjalohja will operate from now on as a 100% subsidiary of Mikeva. Hoitokoti Apilaniitty's employees will continue with existing employment terms as so called old employees.

Nationwide operating Mikeva's market position strengthens in Uusimaa region by this Hoitokoti Apilaniitty acquisition. Mikeva's elderly segments rehabilitative and lifespan noticing way to take care of the residents has been excellently received around Finland. The operational philosophy goes hand in hand with Hoitokoti Apilaniitty's care that underlines living environments safety and individuality.

"Hoitokoti Apilaniitty is an important addition to Mikeva in our growth path and the acquisition will contribute to improve our position in the Western Uusimaa region. Apilaniitty has been one of the forerunners among the service home providers that has developed safe and individual care to elderly. Gardening is a nice addition to Apilaniitty's good everyday life." comments Mikeva CEO Petri Pitkäranta.

"We would like thank all our partners and staff for the past years. We hope all the best for Apilaniitty in the future. It feels good that our service home will continue as a part of proficient Mikeva" says Hoitokoti Apilaniitty CEO Heikki Saxell.

Mikeva has operation in over 65 municipalities in 106 service homes throughout Finland. The total capacity of operations is almost 2400 customer beds and rehabilitation places. In 2016 Mikeva expands by growing organically with ten service homes and with several acquisitions. Mikeva is known especially for elderly, mental health and disabled care segments rehabilitation services and developing housing services nationwide.
