Mikeva acquires Palvelukoti Auringonrusko

Palvelukoti Auringonrusko, a Suolahti -established care company, has been acquired by Mikeva. Auringonrusko has two service homes in Suolahti with a total capacity of 30 beds. All employees of Auringonrusko will transfer with existing employment terms. Auringonrusko's owners, Mrs. Taina Huttunen and Mrs. Arja Sunden, will also continue working in the company after the transaction.

"We are delighted that the Auringonrusko story continues as a part of Mikeva's nationwide coverage. Mikeva has very similar approach to working as we have in Auringonrusko. We are confident that our customers are well treated also after the transaction", Taina and Arja summarize.

"Through the acquisition, Mikeva's already strong footprint in Central Finland will be strengthened further. Auringonrusko's knowledge and operations fit well with Mikeva's service offering. 2004 established Misteli is well-recognized for its high-quality services in elderly care and thus fits well in Mikeva's service offering as a fully-owned subsidiary" comments Mikeva Oy CEO Petri Pitkäranta.

Mikeva has operations in 50 municipalities in 73 service homes throughout Finland. The total capacity of operations is approximately 1,400 customer beds and the annual revenue for 2012 exceeded 50MEUR.
