Mikeva expands its nationwide operations in Pirkanmaa by acquiring Mäntän Palvelukoti

Mikeva Ltd. expands its service offering in mental health segment by acquiring Mäntän Palvelukoti Ltd. operating in Mänttä-Vilppula. All employees of Mäntän Palvelukoti will transfer with existing employment terms except for CEO Tuula Savolainen who moves on to new challenges after the acquisition.

”Mäntän Palvelukoti fits well to our current service offering and complements Mikeva’s strong nationwide footprint. The acquired company will be part of Western Finland’s operations in the future where Mikeva already has versatile know-how on mental health rehabilitee’s stepwise housing service models. In Mikeva we have implemented our growth strategy by growing organically and acquiring last year 12 service homes, therapy services and home care services.” comments Mikeva CEO Petri Pitkäranta.

”We are delighted to become a part of Mikeva where especially mental health services have been strongly developed for a long time. We believe that Mäntän Palvelukodit’s know-how is an excellent addition to Mikeva’s services” says Tuula Savolainen.

Mikeva has operations in 50 municipalities in 75 service homes throughout Finland. The total capacity of operations is more than 1500 customer beds and the annual revenue for 2012 exceeded 50MEUR.
