### **Mikeva acquires Savolan Aurorakoti**

Mikeva Oy expands its service offering in Eastern Finland through the acquisition of Keitele-based Savolan Aurorakoti Ky that provides mental health and substance rehabilitation services. The employees continue as so called old employees. Company's main owner Mrs. Sari Andersson will continue to work as unit manager for transition period.

"Savolan Aurorakoti is a well-run company that well strengthens especially our substance abuse rehabilitation services. We are very pleased to have Savolan Aurorakoti as part of our offering and as a part of our growth story", comments Mikeva CEO Mr. Petri Pitkäranta.

"Mikeva was a natural continuum to the development of Savolan Aurorakoti. The values of both companies are well in line and that is a good basis for the future" explains Sari Andersson.

Mikeva has activities in 48 locations in 70 service homes throughout Finland. 1,300 customer beds are in Mikeva's current scope. 2012 revenues exceeded 50m€.
